## ABOUT US

Founded in 1997 under the SKM Educational Trust, Oxbridge Group of Institutions has developed into a premier educational hub dedicated to delivering quality education and fostering holistic development in every student. Within the Oxbridge Group, we proudly encompass several colleges, including Oxbridge Business School, Oxbridge College of Pharmacy, and Oxbridge College of Science and Commerce, each committed to nurturing the talents and aspirations of our students.

Our mission is to create an environment where every learner can thrive and reach their full potential, equipping them with the knowledge and skills needed for a successful future. To support our students in achieving academic excellence, we offer what we consider to be top-notch teaching methods and state-of-the-art infrastructure facilities. Offering both undergraduate and postgraduate programs, we have earned a strong reputation for exceptional teaching and successful placements. All our courses are duly recognized by the Government of Karnataka, AICTE, and PCI New Delhi, and are affiliated with Bangalore University and Rajiv Gandhi University of Health Sciences, ensuring the highest standards of education and credibility.

The campus is a complete community, apart from the students from different states, students from many countries such as Kenya, Bangladesh, Nepal, Yemen, Iran, Sri Lanka, Tanzania, UAE, etc., of all ages and from very different professional and social backgrounds study in different courses in our institutions. Such diversity provides an exciting atmosphere for all our students. International students have the opportunity to experience the Indian way of life, while gaining knowledge and understanding of the many other cultures live in harmony.

Oxbridge Business School stands at the forefront of business education, driven by strong partnerships with industry leaders that enrich our academic programs. Through these collaborations, we provide our students with invaluable insights, real-world experience, and networking opportunities, ensuring they graduate not only with theoretical knowledge but also with the practical skills needed to thrive in today's competitive business environment.

Oxbridge College of Pharmacy is dedicated to shaping the next generation of pharmaceutical leaders through innovative education and hands-on training. With a strong emphasis on research and practical experience, we equip our students with the skills and knowledge necessary to excel in the ever-evolving field of pharmacy, ensuring they are well-prepared to meet the challenges of tomorrow's healthcare landscape.

Oxbridge College of Science and Commerce offers a dynamic blend of computer application courses and commerce subjects, empowering students with the technical skills and business acumen essential for success in the digital age.
